

Newsletter

4th Edition, 2023

We are excited to share that our Sydney office has relocated. We are still located in Chatswood however have move to a much larger space to allow our expanding Recruitment team to grow even more in 2024. There are exciting times ahead for us as we look at doubling the number of trials we did in the last 12 months in both healthy volunteer and treatment studies. We look forward to working with new and existing Sponsors and CRO's in the New Year!

2023 In Review:

 7,671 patient visits

 30 new trials

 16 Investigators

End of Year company event

Our first Paratus Exclusives Event

This month we thanked our Paratus Exclusives group for their ongoing support and contributions to medical research with a private movie screening for them to attend with a friend. We had a great turn out at both locations and we plan to further expand on ways in which we can engage our Exclusives group at each site in 2024.

PARATUS CLINICAL
WISHES YOU A

HAPPY
HOLIDAYS

We look forward to your continued
partnership in the New Year - may
we continue to strengthen health
together.
